

License Agreement C (TV&Film)

PLEASE READ THE TERMS OF THE FOLLOWING AGREEMENT BEFORE USE.

This license is valid for the use of one (1) composition score contained in this sound library and must be registered for commercial use at www.motionsamples.com under the License C Registration form. This form must be filed before the commercial release date of your media project. If you require the use of two or more compositions contained in this sound library you must purchase a new copy (license) for each one.

- 1) The sound samples included on this product remain the property of Motion:av and are licensed, not sold, to you for use in your audio production.
- 2) This license does not authorize the use of any Motion:av sound samples in the production of Sampling CDs, CD-ROMs, Production Music Libraries or any form of downloads.
- 3) The Licensor will not be responsible if the sound samples do not fit the particular purpose of the Licensee. The sound samples are licensed 'as is' without warranties of any kind. The Licensor can not be held responsible for any direct, indirect, or consequential loss arising from the use of any sound samples licensed from Motion:av in whatever form.
- 4) Use of the composition scores in 'library music' (aka 'music libraries'), which is re-licensed to multiple third parties, is not permitted without first obtaining a separate License (subject to availability) from Licensor.
- 5) The single user license agreement you purchase is not transferable; this means you cannot sell (copyright buyout) your musical works that contain any composition scores in this library. This license only grants you as the songwriter, musician or producer to license (sub-license) your musical works for making demos, records, remixes, film scores, commercials, jingles, post productions, commissioned pieces, soundtracks for film, theatre, musicals and live performances.

Screen credits for websites, featured film, documentaries, or TV use isn't required.

- 7) By completing the purchase of a Motion:av Sample CD or Motion:av Download pack, means an acceptance of these terms of the User License Agreement.
